Looking forward to a season of celebration

Whether families are looking for immigration advice, programs for their troubled teens, or referrals to health and human services programs, the one place they have been able to count on is the offices of El Concilio del Condado de Ventura. Founded in 1975, the Oxnard-based program has grown to provide a wide range of services to the growing diversity of families in Ventura County. Citizenship and naturalization services, HIV/AIDS, substance abuse education and prevention are just some of the programs available at this

nonprofit Latino advocacy and multi-service community organization. El Concilio is often the first stop for individuals seeking referrals to other organizations and services and for people seeking advice on housing, filling out government forms and other issues. As the organization enters its 32st year, the dedicated staff members, volunteers, community supporters and board members will help it continue to meet the challenges facing the community's under-served and low to moderate income families in the region.

Latino Leadership Awards – Feb. 24, 2007

The 2007 Latino Leadership Awards banquet promises to be one of the top events in the county, honoring local residents and organizations for their exemplary achievements that have positively impacted our community. This year, we will honor individuals and organizations in the categories of

labor, cultural arts, youth, business, community service, education and health. The program will begin at 6 p.m. Saturday, Feb. 24, 2007, at the Oxnard Performing Arts Center. Please join us in recognizing the achievements of these leaders in our community. For reservations, call 805.486-9777.
